Members of the democratic city committee are requested to attend a meeting of the committee to be held at the office of T. D. Fitzgerald, Standard building, at 6 o'clock on the evening of Monday, March 21.

Chairman.

THE WEATHER.

The daily record of the thermometer in this city for yesterday, as reported by C. W. Brandon, was as follows: 7 a. m., 30 degrees above; 12 m., 46 degrees above; 4 p. m., 50 degrees above; 8 p. m., 34 degrees above.

ABOUT THE CITY.

Rev. Father Henry of Salt Lake will preach at St. Paul's Catholic church this morning at 10:30 o'clock.

The Sunday school of St. Mark's Episcopal church will meet at the church at 11 o'clock this morning.

Hon. John F. Finerty will not be able to speak in this city again as requested. He has to deliver an address in Minneapolis on Thursday evening.

The property owners on Upper Oak street are anxious to have a sewer built along that street. A petition will be presented to the council asking that this work be done.

The Rev. Mr. Blackiston, of St. John's Episcopal church of Butte, will conduct services in St. Mark's church in this city Thursday evening, March 24, at 8 o'clock.

An Austrian employed at the Carroll smelters was seriously injured by falling about 20 feet. He struck on his shoulder and broke one of his arms in several places. He was taken to the Sisters' hospital.

Monday evening in the Methodist Episcopal church Rev. William Rollins, D. D., of Helena, will deliver an address under the auspices of the Epworth league. His subject will be "Herodism Modernized." Dr. Rollins is one of the most eloquent public speakers in Montana and his lecture will be very interesting.

The chief of police was around serving notices yesterday upon householders to clean up their alleys and back yards. The chief says there is an enormous pile of rubbish and offal lying around the city, and with the advent of hot weather there will be disease and death unless this business is remedied. He says everyone in this city must clean up their alleys and yards which requires that the alleys and yards be kept clean.

J. H. Rooney, who has for a long time been employed in the store of the Estes & Connel Mercantile company in this city, will leave for Butte in a few days to take a position with the firm of J. Caplice & Co. Last night a number of Mr. Rooney's fellow employees called at his home on Cherry street and presented him with a very handsome suit of clothes as a slight token of their esteem for him. Mr. Rooney and family have many friends in this city who will regret to hear of their intended departure.

George M. Lanckton, the state representative of the Bloomington Phoenix Nursery is stopping at the Montana. He reports an excellent business this spring, particularly in fruit trees, their successful cultivation in many parts of Montana being now an assured fact. The nursery represented by Mr. Lanckton is one of the largest in the world, and has an enviable reputation for square business dealings. A number of Anaconda people have already placed their orders with Mr. Lanckton for roses, shrubbery and trees, which in a few years will add greatly to the adornment of the city.
